

➤ The ZS Robotics Fleet

Ultra-thin Pallet Shuttle ZS-H125

- 20-wheel design, capable of bridging large gaps silently
- The Industry's First Weight Measurement Pallet Shuttle
- High-capacity battery providing up to 10 hours of operating time

Heavy-load Pallet Shuttle ZS-L2000

- High load, rated up to 2 tons (up to 2.5 tons can be customized)
- Breaking through the purely mechanical structure load limitation

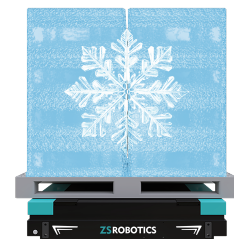

Customized Pallet Shuttle ZS-X1

- Ideal for storage of oversized, extra narrow, extra heavy pallets
- Customizable to customer needs (size, load, temperature, range, etc.)

Cold Chain Pallet Shuttle ZS-H150C

- Special low-temperature resistant technology, ultra-low temperature stable operation
- Operating temperatures down to -25°C
- The full range of four-way pallet shuttle can be customized for cold storage.

CE Versions/ All Models

- CE full directive certification (MD machinery safety directive, EMC electromagnetic compatibility directive, RED radio equipment directive)
- All three models (Standard, heavy duty and slimline) are CE certified.
